

GREAT WRITING TO DISCOVER

by eight of the UK's best fiction writers

FORGETTING ZOË **RAY ROBINSON**

WILLIAM HEINEMANN (RANDOM HOUSE)

'The dark, unflinching tale of ten-year-old Zoe, abducted and imprisoned after a chance encounter. While Thurman viscerally proves the apple never falls far from the tree, Zoe must find a way to outwit and escape from her perverse captor. A grim story written with extraordinary skill.'
